PROPERTY SUMMARY

With nearly 40 feet of frontage on the northside of Richmond Street East, this character brick & beam building is centrally located at the high traffic intersection of Richmond Street East and Church Street. The building features exposed wood ceiling & columns and is a century heritage building converted from industrial use for incredible character office space to be enjoyed by your clients and employees alike. There is on-site private, bespoke fitness training facilities available for an additional fee.

The available spaces feature open-concept office space with 13' ceilings,, large new operable windows, fully air-conditioned and has freight elevator access. The suites also have private bathrooms and private kitchenettes. There is an abundance of neighbourhood parking and there may be on-site parking (inquire about availability). The building security features include controlled access and CCTV cameras and on-site management.
